MEMORANDUM FOR THE RECORD

Morning Meeting of 13 June 1967

DD/I reported that regarding the Director's request for a paper on the USS Liberty, a summary would be ready by 1000 and the full package, including the details and the chronology, by 1200. The Director asked the DD/I to bring him the summary as soon as it was completed.

DD/I said he would have a picture of the thermal power plant in Hanoi by 1000. (See Action 1)

DD/I briefed on his session with John McCone yesterday.

Godfrey discussed the Middle East situation. The Director suggested reducing the editions of the Sitrep to 0800 and mid-afternoon.

The Director gave guidance to Godfrey on the format of a memorandum on current Soviet deliveries to the Middle East.

Kent briefed the Director on the status of the Soviet nuclear energy Estimate before USIB this Thursday and said that he would give him the details of the probable footnotes tomorrow morning.

DD/S reported the successful completion of negotiations with the Civil Service Commission to obtain for contract personnel insurance benefits previously unaccorded. The Executive Director said that the Office of Personnel deserves a pat on the back for achieving this.
